

BCHDA Winter Competitions 2021-2022

Saturday February 5, 2022

Thanks to everyone who made our October event a success! To allow for maximum flexibility we will be running each closed competition as a separate event and will be announcing dances prior to each competition. Dancers who wish to do only one or two competitions instead of the whole season will have the option to do so.

This event is being held in compliance with all Provincial health and safety orders, and facility requirements for Covid-19. Currently the Provincial Health and Safety Orders include wearing of masks inside, and all dancers over 21 as well as all audience members 12 & Over to show a BC Vaccine Card (or equivalent).

Masks are mandatory. Dancers may remove their masks while competing.

On the day of the competition, if you or any household family member has symptoms, has been diagnosed as having Covid-19, has been required to quarantine or self-isolate within the previous 14 days, or has been out of the Country within the previous 14 days, please stay at home. Do not attend if you are feeling unwell, experiencing COVID-like symptoms, or if you have been asked by Public Health to self-isolate.

You may contact the Competition Secretary by email to advise of your situation:
bchda.competitionsecretary@gmail.com

Our goal is to allow our dancers to compete in a safe, calm, inclusive and positive environment. We appreciate unexpected situations that may arise on the day that may require action that is meant to protect our dancers, judges, volunteers and other participants. Please be respectful of all requests or you will be escorted from the facility.

We will be staggering our classes to decrease lineups at the entrance door and to decrease the number of dancers in the changing room at any one time. Dancing will be organized to allow for a minimum number of dancers in the

change room at any one time. If required, dancing will pause until costume changes have completed.

Prior to entry:

- If you are feeling unwell, are experiencing COVID-like symptoms, or if you have been asked by Public Health to self-isolate, do not attend the competition.
- If crowd size capacity exceeds Health and Safety rules, only one parent/guardian is permitted in the facility with their dancer(s).
- Dancers are to **arrive in costume** prepared to dance in your first costume, hair done and make-up applied.

Please NO LARGE Garment Bags. Families with 3 or more dancers may bring ONE large garment bag for their family. There will be limited space available for costume changes, please do not leave bags or personal items in the change area. Only 1 parent or guardian allowed in the change space with each dancer.

- Please bring safety pins to affix numbers to dance costumes.
- No personal foam mats will be allowed within the facility; please leave unnecessary items in your car.

As you enter/during the competition:

- To enter the facility, each person must:
 - Scan a QR code: note that you do not need to download anything ahead of time, but DO need to have a smartphone ready to scan the code before entry. This scan will take the attendee to a webpage to “sign in” and acts as a contact tracing measure.
 - Complete verbal declaration of good health and show your BC Vaccine Card as required by provincial health orders.
- In compliance with the Provincial Government mandate, masks will be worn inside the facility. Please bring your own mask!
- Dancers may choose to remove their mask prior to going on stage; a bag will be provided for each dancer’s mask while they are dancing.
- During Costume Changes, please proceed to the change room, and observe any social distancing requirements in the change area. DO NOT LEAVE your garment bag in the change area. Dancing will be held for all dancers to change (within reason).
- Physical distancing is strongly encouraged at all times while within the facility.
- Washroom facilities will have limited occupancy depending on the number of cubicles while maintaining physical distancing requirements, which is a requirement of the facility. Please limit use as much as is possible.
- If crowd size capacity restrictions are in place, in order to facilitate the unique situation faced when organizing this event, dancers will be called to the marshalling (line-up) area in small groups almost immediately prior to competing. Dancers who do not arrive when called may forfeit their opportunity to compete for that event.

Exiting the competition:

- Results will be announced following the completion of the morning and afternoon sections, and awards will be given out as competitors exit the facility.
- All competitors and their guardians are required to leave the facility once their awards are completed.
 - An exception is for a guardian who is volunteering; once their duties have been completed they must exit.
- **If you test positive for Covid following the event, you must contact the Competition Secretary.**
